

Poachers Pre65 Classic Trials

Christmas Charity Trial 27th December 25

Just a quick update and a massive thank you to all the riders, observers and our Landowners at Smiths Farm for providing again facilities and equipment that helped the day's smooth running. Also, thank you for supporting the caterers that provided refreshments all day.

87 riders signed on for our annual charity event, we had set 14 sections to be ridden over 3 laps, drizzle and a cold wind accompanied the 10:30 start, which lasted for the duration of the event, we don't think the conditions affected the sections too much.

As we mentioned at the pre-Trial announcements, a full set of results will be published in the New Year, but for now we have listed the class winners on each route, marks lost are in brackets after the rider's name.

We also are pleased to confirm that a total raised from our events in 2025 is the fantastic sum of £2000 and will be split between to our charity partners, St Andrew Children's Hospice and Prostate Cancer UK.

Finally, very importantly our next event is our first round Championship Trial on the 18th of Jan, followed by our presentation of the 2025 awards which will take place in the Clubhouse at Cadwell Park, a lunch will be provided by the club for all the riders, we will have a menu choice's as we did last year and it's important that when you send in your entry you confirm what you would like to eat, we have to confirm our food order and numbers by the 13th of Jan....so please get your entry in asap , we should have the entry pen by the 6th of Jan and more info will be posted then.
